The Board of Directors recently approved a change to our Corporation's Tariff, Section E, Service Rules and Regulations, to include a limit to the amount of credit that individual accounts may accrue. This change is highlighted below:

*vi. Account credit or positive balance, shall be limited to the sum of \$250.00. All overages above this amount shall be returned to the member/customer.*

Any future deposits of funds that bring an account credit above the \$250 threshold will be returned absent the prior approval of Management.

Thank you.
